Buying Green On DOD EMALL

WARFIGHTER SUPPORT

STEWARDSHIP EXCELLENCE

WORKFORCE DEVELOPMENT

Federal Law requires the purchase of Green products when applicable. For certain products that are energy efficient, water conserving or made with recovered/biobased content, Federal purchasers MUST buy the green alternative product (subject to certain exceptions).

DOD EMALL offers items with these as well as other positive environmental characteristics and these products are easily identified in DOD EMALL with a 'green tree' logo. If you cannot find the green product you want, contact the DLA Green Products Team at GreenProducts@dla.mil or call the Greenline at (804)279-4060 or DSN 695-4060.
